Some words of thanks from our recipients

"I am writing to express my eternal gratitude to the Business Council of Manitoba for the support given to me ... The Aboriginal Education Awards ... gave me so much more than monetary support. These Awards gave me stability when I needed it most ... I even made the Dean's honour list ... I would love to eventually pursue my doctorate and teach at the Asper School of Business ... Just knowing that there is a whole community of donors who want Indigenous students to succeed makes a world of difference ..." – *Jennifer Moose*

"I was very honoured to have been chosen to receive this prestigious award, and want to convey my utmost gratitude to the Business Council of Manitoba for helping me further my education and pursue my goal of obtaining my Law Degree." – *Bradley Boudreau*

"...The scholarship instills much hope and means the world to have this type of support and belief from others that I can do this. The award is an honour and motivates me to keep moving forward... and fulfilling my lifelong desire of becoming a nurse. I am overjoyed with the support the Business Council has provided me with and I realize there are truly caring people in this world, who are there to help support student education." – *Lisa Thomas*

"...It is very important that our Aboriginal peoples take our place as leaders in society. It is through opportunities like this that many of us will be able to follow our dreams to have a higher education... and ensure the continuance of my career path in hopes of one day becoming a teacher.... Thank you for giving me the best gift of all, an education." – *Kelsey McCall*
